CHILD PROTECTION

All children will be receiving mandatory child protection training this term. The training is extensive and varies in complexity from stage to stage. A written request to your child's teacher is required if you do not want your child to participate. All children will benefit from the life skills and safe behaviours they will learn through this program. All teaching staff are more than happy to answer any question you may have regarding the child protection program.

SCHOOL BUILDING PROGRAM

Work commenced on our school building program over the holidays with the Infant's car park and internal carpeting of A, C and G Blocks. Painting of these buildings will commence on Thursday. The school will minimise disruptions to class routines where possible.

Performing Arts

The Sapphire Coast Learning Community (SCLC) comprises two high schools, fourteen partner primary schools and the Bournda Environmental Education Centre. Our schools work together to provide greater opportunities for students from Kindergarten to year 12 in the Bega and Eden area.

One of our special projects this year will be a Festival of Arts to be held at Eden Marine High on Tuesday, 18th and Wednesday, 19th August. This exciting event will showcase the talents of public school students and the excellence of programs being implemented across the Sapphire Coast Learning Community (SCLC).

Our School choir will be performing on Wednesday night 19th August.

Tickets can be purchased through the school office from Thursday 30th July, or at the door at Eden on the night. Admission is only \$6.00 per ticket. Concerts for both nights commence at 7:00pm. We hope that you can join us!

Thankyou
