From the Principal

My Absence

I will be taking leave for the last two weeks of this term. Ms Vogt, Mr Taylor and Mr Mussett will be taking turns replacing me.

P & C Meeting

We look forward to as many people as possible attending our next P&C Meeting in the staff room on Monday 15 June, commencing 5.30pm with a fete meeting. Normal business will continue from 6.30pm

John Davidson Principal

H1N1 Influenza

Advice from NSW Health is that, for the time being, any teacher or student who travels to metropolitan Melbourne, is to have a 7 day exclusion from school.

Dental Checks

The Greater Southern Area Health Service School Dental Team would like to remind all households in the Bega Valley to bring their children along for a dental check-up in 2009.

The School Dental Service no longer checks children's teeth at school. Families can contact the intake service on 1800 450 046 to make an appointment at the Pambula Community Health Service Dental Clinic. This is a free service.

Softball

On Wednesday June 24th at approximately 11:30 am our Eden Public School girls' softball team will compete against Jerrabomberra Public School in Round 4 of the state knockout. The game will be played at our school. Good luck girls!

Pambula Hospital Fundraiser

We have been asked to support Pambula Hospital in raising funds to buy a Paediatric Colour Code Cart for use in the Emergency Department for the resuscitation of children. As we feel that this is worthy of our assistance, we will hold a "Dollar Day" on June 16th. Our children are asked to bring along a gold coin to place in the special collection tins.

Thank you for your ongoing support!

Healthy Harold Day 5th June 2009

Last Friday 5th June, Life Education celebrated 'Healthy Harold Day'. We raised \$188-30.

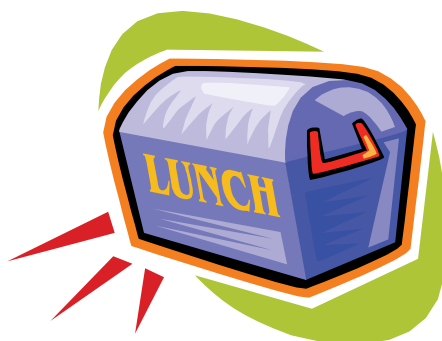

Thanks for your help.

Quick tips for happy lunches

- Explain to your child not to swap lunches with their friends because all children have different tastes and some children can't eat what other children can.
- It's important to let the principal or teacher know if your child is allergic to certain foods.
- Test out some snack and lunch ideas so you know your child will eat them
- Pack food that is easy to eat and not messy.
- Use a lunch box to protect food – one that keeps food cool is even better.
- Include a frozen drink bottle in the lunch box or cooler bag to keep food cold.
- Test with your child that pre-packaged foods are easy to open.
- Avoid using cling wrap because children find it hard to pull apart.
- Pack tissues or paper around fruit so it won't bruise.
- Remind your child to wash their hands before eating.

P & C News

Hi everyone! I hope you all enjoyed the long weekend. Most Monday mornings I think of the things I had hoped to accomplish during the course of the weekend but today I had another day up my sleeve. It was good as I usually get bad Monday-itis!

Last week I said we made \$475.00 from the street stall but there was a \$100.00 float to come out of that so we made \$275.00 from the sale of goods plus \$100.00 from the 100's board.

Please don't forget our next fundraiser, a dance to be held on 3 July at the high school hall. There will be lots of fun and games!

Next Monday 15 June we will have a fete meeting at 5.30pm followed by the P&C meeting at 6.30pm in the staff room. You are welcome to attend these if you would like. If you would prefer to attend just one of these that is fine.

South Coast Learning Circle Festival of Arts

The Sapphire Coast Learning Community (SCLC) comprises two high schools, fourteen partner primary schools and the Bournda Environmental Education Centre. Our schools work together to provide greater opportunities for students from Kindergarten to Year 12 in the Bega and Eden area.

Our professional staff share ideas, knowledge and expertise during regular meetings and joint professional development.

The SCLC has developed partnerships with Bega TAFE, the University of Wollongong, Bega Valley Shire Council, the Aboriginal community, group training organisations and local industry. We are proud of the educational opportunities we offer to the young citizens of our local area.

One of our special projects this year will be a Festival of Arts to be held at Eden Marine High on Tuesday, 18th and Wednesday, 19th August. This exciting event will showcase the talents of public school students and the excellence of programs being implemented across the Sapphire Coast Learning Community (SCLC).

Tickets can be purchased through the school office from Monday, 22nd June or at the door at Eden on the night. Admission is only \$6:00 per ticket. Concerts for both nights commence at 7:00pm. We hope that you can join us!
