Welcome back to another very busy and exciting term.

As a result of Mr Davidson’s retirement there have been a few small changes at the school in our staffing arrangement.

As I am Relieving Principal, Mrs Overton will now be replacing me as relieving Assistant Principal for K-2 for the remainder of this year. This will incur some minor changes to the class structures within 1/2O as Mrs Overton will have extra administration time to manage her new responsibilities and will therefore be sharing some of her class time with Mrs Peters. This has been carefully designed to minimise disruption for the students of 1/2O and provide and seamless transition for their learning.

I would like to congratulate Mrs Overton on her new position and welcome Mrs Peters to our school community.

The Stage 3 excursion is running smoothly and all students appear to be having a very interesting time. We look forward to all their reports on their return. See our Facebook page for photo updates.

Parent Café will be open this Thursday from 10am-2pm. Please pop in for a chat or any questions that you have, or even just a cuppa to say hi. Remember ‘all welcome’.

Eden Public School would like to thank the Nethercote Markets for their kind donation and support of the Eden Garden project, ‘Nullika Munda’. This is a very generous gift and will ensure sustainably for our garden and provide students with extra opportunities for their education. Thank you Nethercote Markets.

AASC notes will be available tomorrow for this term’s activities. Activities for this term will be as follows;

Tuesday will be GOLF for 3 weeks and then swimming for the following 4 weeks, beginning on the 14th of October and

Thursday will be Karate for 3 weeks and swimming for the following 4 weeks beginning the following week, on the 23rd of October.

Please encourage you children to get a note from the office.

Wishing all a great term,

Tanja Vogt

Mathletics Update Week 1 Term 4
I would like to congratulate all the students who used Mathletics during the school holidays. It was very pleasing to see 3 Gold Certificates, 6 Silver Certificates and 28 Bronze Certificates achieved over the two weeks. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Technology Lesson Update
Camp Photographs
Next term, as part of Technology lessons, primary students will be making a “Photo Story” movie about their 2014 camp experiences (collating photos begins end of week 3). Therefore, I am seeking as many photographs from this year’s camps as possible. These photographs, preferably in digital format, will only be used by Eden Public School students for this project. Any camp photographs will be greatly appreciated.
