Term 4, Week 2

FROM THE PRINCIPAL

Helmets for Safety

Please remind your child to wear their helmet when riding scooters or bikes to school.

Principal Report

I would like to begin by saying what a great week I had for my first week as Principal. It is a credit to the staff, students and school community of Eden Public School.

AASC:

There has been a complication with the organisation of the Golf activity that was due to begin this Tuesday. We are working to ensure that this will be sorted and the activity can begin next week. Thank you for your patience with this matter. In accordance, all notes can now be returned by Thursday this week and students will be notified of their inclusion in the program on Friday.

Parent Café

Parent Café will be open on Thursday between 10am and 2pm. Pop in for a cuppa and a chat.

Kindergarten Orientation

Wednesday 15th of October at 12 noon to 1.10pm. We are looking forward to meeting all the parents and for the new students to meet their new buddies for 2015.

Growth Coaching International

Today all the executive staff are attending their final training in Coaching. Growth Coaching is an accredited program that has been designed for leaders and managers in the education sector who are committed to significantly building their leadership skills in order to manage themselves and others towards greater performance. This initiative has been a focus for all the SCLC schools and is supported by the Director of Public Education.

Have a great week.

Crunch&Sip

100g of kiwi fruit contain about one and a half times as much vitamin C as 100g of orange. Why not pack a kiwi fruit cut in half for Crunch&Sip with a teaspoon for your child to scoop out the flesh!
**Technology Lesson Update**

**Camp Photographs**
Next term, as part of Technology lessons, primary students will be making a “Photo Story” movie about their 2014 camp experiences (collating photos begins end of week 3). Therefore, I am seeking as many photographs from this year’s camps as possible. These photographs, preferably in digital format, will only be used by Eden Public School students for this project. Any camp photographs will be greatly appreciated.

Stage 3 students were very fortunate to meet His Excellency Sir Peter Cosgrove, Governor General of Australia on their recent excursion to Canberra. Stage 3 students from Eden Public have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion and will then be passed onto families.

The children of Stage 3 are to be congratulated on their behaviour, attitude and respect shown during all aspects of the excursion. It was a pleasure to take these students away and they should be extremely proud of themselves.

Special Mathletics Update

Since the start of the year, the students at Eden Public School have signed-in more than 5562 times and spent more than 1798 hours completing the activities.

Mathletics Update Week 2

I would like to congratulate the student who achieved their GOLD Certificate and the 3 students who received their Silver Certificates this week. Congratulations also to the 20 students who obtained a Bronze Certificate. Remember: to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also to 1/2O who were last week’s leading class with 11 certificates. Second place goes to 3/4K (6) and equal third to 1/2D (1), 1/2B (1), KP (1) and KC (1). Just remember students have full 24hr access to Mathletics on the Internet and therefore can complete activities at home if they wish.

JUMP OFF

Wednesday 15TH October
The Eden cricket Club will be holding a registration/training day at 4.30pm Wednesday the 22nd October at the Eden cricket ground. The club has entered teams in under tens and under 12’s for the upcoming season. The club is hoping to keep registration costs to a minimum (under tens $20 under 12’s $40) and most of the gear will be supplied. Under 12’s play Saturday mornings. The tens are yet to be decided whether they will play Friday afternoons or Saturday mornings. All players are welcome and more information should be available by the registration day.

COME & TRY FOR FREE – FUN FOR EVERYONE!

Eden Swimming Club
Commences Wednesday 15th October, 6pm

Club nights are held every Wednesday, starting at 5.45pm.

The season will commence with an information evening for families, along with a sausage sizzle and fun water activities.

New swimmers can come along and try swimming club for 2 weeks, before joining as a member.

We keep our fees as low as possible! (Swimmer $65, Non Swimmer $25, family discount packages available)
