Exciting Mathletics News

Special congratulations to Mitchell Howell, who last week, was 52nd in the top 100 students in Mathletics for Australia. A great effort, well done!

Mathletics Update Week 10

WOW, what an awesome week for Mathletics at Eden Public. We have 4 students achieve their Gold Certificates and an amazing 11 Silver Certificates. We also had 61 Bronze Certificates achieved last week. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to 1/2O who were last week’s leading class with 20 certificates. Second place goes to 5/6L (14) and third to 5/6M (3). Just remember students have full 24hr access to Mathletics on the Internet.

Cross Country

The cross country has been postponed next week, Wednesday 2nd April due to high tides.

It has been re scheduled for Monday 7th April 2014 at 11:45am.

AUSTRALIAN GOVERNMENT’S ACTIVE AFTER SCHOOL COMMUNITIES

Last week was the final week of AASC for this term. We would like to thank all the students who participated and enjoyed the swimming, soccer and netball. It is important that we say a special thank you to our coaches, Melina Caldwell, Donna Beaven and Therese Nicholl for their time and dedication to the program. A special thank you to all the teachers who volunteer their time to support the program. This is a great program that provides exciting sports activities and a healthy afternoon snack for free. We appreciate everyone who continues to support this initiative.

CLASS OF THE MONTH 5/6L

Parents or caregivers are required by law to provide an explanation to the principal to say why their child was absent from school.
A note of explanation should contain:
1. Date that the note was written;
2. Child’s name;
3. Days/dates the child was absent from school;
4. The reason the child was absent;
5. The signature of the child’s parent or caregiver.

If more than one child from the same family has been absent a separate note for each child should be written.

A note should be brought to school on the first day the student returns to school after an absence. Your school is required to investigate all unexplained absences (where a child has been absent and no explanation has been received) within two days.

Did your child give the note to their teacher? This can sometimes be a problem with younger children.

The EPS P&C Fete is **this Friday the 4th of April from 10:30am – 1:30pm.**

It will be a day of fun with lots of games, activities, stalls and yummy food and drinks to buy on the day.

We are still in need of adult volunteers to help run stalls so that all planned stalls can go ahead. If you can volunteer even an hour of your time it would be very much appreciated!

We are still looking for donations for the stalls – **especially chocolate bars and bottles** - as well as Easter eggs for the major raffle. If you are able to donate items please bring them into the office at school. Big thanks to those who have already donated items!

We would also really appreciate if you are able to sell your book of raffle tickets and return the tickets and money back to school.

Today there will be a price guide for the stalls and food & drinks so you can help your child to budget their money on the day!

Thank you so much for your assistance, and for helping to support the school P&C that supports your children.

Any questions or to volunteer your time, please contact Emma Bolton on 64961169.
