QUEEN’S BIRTHDAY
Next Monday, 9th June is the Queen’s Birthday holiday. School will be closed as a result.

P&C MEETING
Our June meeting will be held this evening at 6.00pm in the staff room. All are welcome to attend.

LIFE EDUCATION
All students will be participating in the Life Education Program this week and next. Please make sure money has been returned. The importance of this program has resulted in it being heavily subsidised by both the school and the Illawarra Mutual Building Society.

PARENT TEACHER MEETINGS
Please be aware that parent teacher meetings will be held in Week 2 of next term. This decision has been taken as a result of this term being only nine weeks long. It provides teachers with the time required to make valid assessments of pupil progress and report this progress to you. Parent teacher meetings in 2015 will occur during Term 2 as usual.

PSSA Rugby League Knockout
Last Thursday, Eden Public School played their first PSSA Classic Shield Rugby League knockout game against Merimbula Public School. The game presented an opportunity for many students in the team to experience their first taste of rugby league at a competitive level. Unfortunately for Eden Public School the opposition was far too strong on the day, going down 58-0. Nevertheless, it must be mentioned that many students in the team gave their absolute best and can be proud of their efforts, even when the odds seemed entirely against them. Well done boys and keep enjoying your passion for Rugby League, as we all know it can be a game of highs and lows.

Year 7 Enrolment Forms 2015
Year 6 enrolment forms for Eden Marine High School must be returned to Eden Public School by this Friday, 6th June.

If they are not returned by this date they will have to be returned directly to Eden Marine High School.
Mathletics Update Week 6

Another successful week for Mathletics at Eden Public. We had 5 students achieve their Gold Certificates and 5 students achieve their Silver Certificates. We also had 49 Bronze Certificates achieved last week. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting **1000 points in a week** (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to **1/2O who were last week’s leading class with 15 certificates.** Second place goes to 5/6M (13) and third place to 3/4K (7). Just remember students have full 24hr access to Mathletics on the Internet.

Head Lice

Anyone can get head lice, but they are most common in children aged between 4 and 11. This may be because of their close contact with each other at school. Girls are more likely to get then than boys.

You can only get head lice through head to head contact. They cannot hop, fly or swim. Head lice can only live for a short time away from the scalp.

Head lice can be found in all types and lengths of hair – having head lice is not a sign that your hair is dirty.

Prevention Tips:
- avoid head to head contact with other persons
- keep long hair tied back or in plaits, especially at school
- don’t share brushes, combs, or pillows.

Boy’s Softball....... Eden Public vs Pambula Public....... Wednesday 28th May 2014

Congratulations to our boy’s softball team on a fantastic effort against Pambula Public.

Our team consisted of Will Priestly, Issac Smith, Sean Webber, Cody McCamish, Will Robinson, Zak Kelly, Brock Doyle, Sean Terry, Ethan and Trent Thiedeman.

Although defeated all the boys played exceptionally well and showed great resilience.

Top catches were taken by Isaac, Trent and Will which resulted in 2 double plays! Isaac Smith showed great skill in the outfield while Trent Thiedeman bowled with strength and consistency. Ethan Thiedeman and Will Priestly both played brilliantly in their positions of 3rd base and backstop respectively.

Overall it was a great effort by all players.

A big thank you must go to the parents who once again provided transport and helped score the game. Also, a huge thank you to Julie Staith, who was able to umpire for us at very short notice.

Once again, well done everyone, you should be very proud of your efforts.

EPS Garden Program!

Last week we took the first steps in establishing a school garden, in conjunction with Bournda Environmental Education Centre’s Dan Bakker. This will be an ongoing project for the school and we welcome any help from the community! **On Sunday the 15th of June** we will be having a Working Bee at school to set up the foundations of the garden. If anyone is able to attend to give a hand it would be very much appreciated! We also need donations for our garden, including the following:

- Newspaper, wheelie bins, garden tools (spades, forks, pruners etc), wire mesh & fencing, 1 and 2 inch poly pipe (min 2 meters), floor mesh, tin bathtubs x 4, pine timber framing, steel pickets, shade cloth, seedlings, trees, shrubs, berries, mulches, composts, manures, fence palings, clear lazerlite (polycarbonate) sheeting. If you have any of the above please contact Emma Bolton on 0419242146 to arrange drop-off.
