AASC
This is the last week for Active After School activities for Term 2. I would like to thank all the coaches, students and teachers for a successful term of great activities.

Breakfast Club
I would like to acknowledge the volunteers who provide their ongoing support and time to the breakfast club each week. We couldn’t do it without you.

Thank you also to Campbell Page, Red Cross and BiLo for their support of the program.

It goes to show what can be achieved when a community works together to provide a very worthy service for our students.

Have a great week everyone.

Tanja Vogt
I would like to congratulate the 9 students that have received their Silver Certificates last week. Congratulations, also to the 30 students who obtained a Bronze Certificate last week. Remember: to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to 1/2O who were last week’s leading class with 10 certificates. Second place is awarded to 5/6M (6) and equal third to: KP (4), 3/4K (4) and 1/2B (4). Just remember students have full 24hr access to Mathletics on the Internet.

Next Monday June 23rd, we will be holding our annual school athletics carnival. The carnival will be held at the AFL oval, Barclay Street, Eden. Races are expected to begin at approximately 10am and conclude by 2pm, with students returning to school before 3pm. All parents are welcome to attend and may even volunteer to be an official on the day. A decision on the weather will be made by 8:10 in the morning, please contact the school if you have any concerns. Please make sure the permission note, handed out last week, is returned by this Wednesday.

Students must bring a drink bottle, food and a hat for the day. Students are also encouraged to dress up in their house colours.
