Mathletics Update Week 1 Term 3

I would like to congratulate all the students who used Mathletics during the school holidays. It was very pleasing to see 9 Silver Certificates and 40 Bronze Certificates achieved over the two weeks. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting 1000 points in a week (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations to all our students who received their GOLD and Silver Mathletics Certificates at last term’s assembly. Remember, all students can earn a Silver Certificate by getting five Bronze Certificates. Gold Certificates are achieved once a student has earned four Silver Certificates.

BOOK WEEK (16/8 - 22/8) START

PLANNING YOUR COSTUMES!

This year’s theme is ‘Connect to Reading - Reading to Connect.’ Connect to reading is about enjoying the experience of exploring story, and travelling to other worlds. Reading to connect has a broader social meaning, suggesting that reading assists in creating a bond with others. Within the world of contemporary child, this is also relevant as they read books and they read to connect through a variety of media. EPS will be holding their annual Book Character Parade on Tuesday 19th August, there will also be a one day Booktique book fair and colouring in competition.

Music

This week only music will be on Wednesday, so don’t forget to bring your instruments to school.
