EDEN PUBLIC SCHOOL

NEWSLETTER

Tuesday, 22nd July 2014 Term 3, Week 2

DARE TO LEAD SNAPSHOT

On Tuesday 29 July and Wednesday 30 July our school community will be surveyed regarding our effectiveness in supporting the educational needs of our Aboriginal students. The survey will be led by Mr Mark Crouch from Dare to Lead and by Mr Ian Moorehead, Principal of Eden Marine HS. The survey will be co-ordinated by Mr Kerr and AEO Corey Stewart. Parents, Community Members, Staff and students will have the opportunity to provide feedback on how they perceive we are catering for the educational needs of our Aboriginal students. Each session will only take half an hour and is available to both Aboriginal and Non-Aboriginal parents. Please contact either Corey or Mr Kerr on 6496 1169 if you are interested in participating in the survey. Answers are confidential and the information you provide can only help to improve the quality of education we provide to not only our Aboriginal students but all students. We look forward to hearing from you.

PARENT TEACHER INTERVIEWS

Our Parent Teacher Interviews will be held after school on Monday 29 July 2014. Information regarding the interviews will be sent home this week. Some of you may have already received this information from your child’s teacher. Please contact them if you haven’t received an offer of interview by Friday. All teachers are keen to discuss your child’s progress with you. Please make the effort to attend as the children are all very pleased with what they have achieved so far this year and teachers are more than happy to answer your questions and address any questions you may have.

EDUCATION WEEK

The school will be celebrating Education Week next week with an Open Day on Friday 1st August so please save the date and come along to help us celebrate public education. An information flyer will be sent home nearer the day. We plan for classroom visits, an assembly, sausage sizzle and tabloid sports. The theme for this year is “Lighting the way to a Better World.”

SCLC CONCERT

Another major activity the school will be participating in during Education Week will be the Annual Sapphire Coast Learning Community Concert to be held in the Eden Marine High School Auditorium next Wednesday evening, 30 July 2014. Our choir, music and dance groups will be performing as will be individual performers. Tickets are $10.00 each and can be ordered from the office. The school has received two tickets per performer. A DVD can also be ordered at a cost of $10.00.
**Mathletics Update Week 2 Term 3**

It was very pleasing to see 6 Silver Certificates and 27 Bronze Certificates achieved last week. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting **1000 points in a week** (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to **1/2O** who were last week’s leading class with 7 certificates. Equal second place goes to 3/4K (6) and 3/4W (6). Just remember students have full 24hr access to Mathletics on the Internet.

**Stage 2 Edrom Excursion/Camp**

The Stage 2 Edrom excursion will take place from **Monday September 8th – Friday September 12th 2014**. This excursion complements the work done in class on local significant sites. It is also a chance for the children to experience the excitement of overnight excursions, while still being in a familiar local location. **The cost is $145.00 for each child.** This includes accommodation, meals and travel. Please be aware **permission notes have been sent home** this week and are due back by **Friday August 15th**.

**STAGE 3 GO TO UNIVERSITY!**

Last Thursday Stage 3 attended the University of Wollongong campus in Bega. A program had been organised by the UOW to introduce primary students to opportunities available at tertiary level when they leave high school.

The students attended workshops in different faculties, learning of courses available and employment opportunities through the completion of a degree. Two of the faculties they looked at were nursing and engineering, where they learned of the many and varied jobs available as an engineer. Of course they also spoke to students studying to become teachers!

The students had a great day!
