FAREWELL

I would like to take this opportunity to thank you all once again for your support and friendship over the last, almost nine years. I have enjoyed my time as Principal of Eden Public School and leave with mixed emotions. There are many things I look forward to in retirement but I will have many regrets also. You are fortunate to have Ms Vogt to replace me until the Principal’s position is filled in the New Year. She will be an excellent Principal who will continue to make sure our students are getting the best education possible. I wish all members of our school community, students, staff, parents and carers only good things. Please continue to work together to make sure Eden Public School remains the wonderful school that it is.

OFFICE POSITION

It is with real pleasure that I announce the appointment of Ms Katrina Lackey to the position of School Administration officer, replacing Lisa, who has taken up the position of School Administration Manager at Pambula Public School. Katrina has been doing a wonderful job taking over from Lisa and will be another welcome addition to our permanent staff.

END OF TERM

Please remember that this Friday 19th September is the final day of term. School will re-commence Tuesday 7th October for all students K-6. There is no Staff Development Day at the beginning of next term. All children start on the 7th.

Crunch&Sip

Most people cook green beans to eat with a meal. Raw green beans are a great, crunchy option for Crunch&Sip and can help bump up your child’s intake of green coloured vegetables, which can often be a challenge.

Over the last three terms 3/4N have been making an igloo. As part of a recycling unit they decided to reuse plastic milk bottles to create a quiet, cosy spot to read and relax in the classroom.

We would like to acknowledge and thank S2 Cafe for supplying so many milk bottles. We couldn’t have done it without you!
Mathletics Update Week 9

Last week we had 3 students achieve their Silver Certificates and 27 achieve their Bronze Certificates. Well done everyone! Remember to get a Silver certificate you must get four Bronze certificates. Bronze certificates are earned by getting **1000 points in a week** (Monday morning to Sunday night), about 5-10 activities in total. Just check the rocket ship to see your weekly progress.

Congratulations also goes to 1/2O who were last week’s leading class with 9 certificates. Second place goes to 5/6M (7) and third to 5/6E (4). Just remember students have full 24hr access to Mathletics on the Internet and therefore can still access the programs during the holidays. This is a great way to earn an extra two Bronze Certificates towards their next Silver Certificate.

Technology Lesson Update

Camp Photographs

Next term, as part of Technology lessons, primary students will be making a “Photo Story” movie about their 2014 camp experiences (collating photos begins end of week 2). Therefore, I am seeking as many photographs from this year’s camps as possible. These photographs, preferably in digital format, will only be used by Eden Public School students for this project. Any camp photographs will be greatly appreciated.

STAGE 2 EXCURSIONS: EDROM 2014

Last week, Stage 2 went to Edrom Lodge to have their annual excursion. Over the five days, students’ got to explore Boyd’s Tower, Davidson’s Whaling Station, the foreshore and experience an overnight school camp. I am very pleased to report that all the students had a great time, even if they were very tired afterwards. Congratulations to all the students who attended as your eagerness, level of participation and behaviour were exceptional. Many thanks are also given to Mrs Cocks, Mrs Warne and Mr Kerr for their time and dedication during the excursion.
